

Open Doors Open Hearts

Dear Cathedral Members and Friends,

*We have repairs we need to make to our building but we also want to become more outward facing and focused. We want to expand our impact in the city and beyond by sharing the progressive Christian message of God's love for all people. We hope to build a spiritual pathway through the property so we can become a destination for spiritual reflection and education about the environment. We are embarking on an ambitious project and with broad support we can **Open Doors** and **Open Hearts**.*

As new energy is emerging we are asking ourselves:
