

We are  
Wonderfully  
Made! Psalm 139

## Christian Formation

Our Summer Sunday School program was a great success this year. We averaged 10 children each Sunday which is a higher number than in the past.

The children “saw” God through studying his creation. They learned a great deal about God’s creation, especially about the importance of bees and even spiders!!

*Unfortunately only three of the nine weeks had volunteers, which meant I taught the other six weeks. If the Summer Program is to continue we will need more support from the congregation.*

Pre-registration for our regular Sunday School year will begin on Sunday, September 1, 2019. Father Mark will bless the new school year that Sunday (both church school and regular school), so be sure to bring the children and their backpacks to the ten o’clock service on September 1st.

Our regular Sunday School year will begin on Sunday, September 15, 2019. Our theme for this coming school year is “We Are Wonderfully Made”.

Our Youth Group will also start up again in the fall. Look for emails and articles in this publication regarding the dates of future meetings and events.

In the past many of you have been tremendously generous in providing supplies for the Sunday School Program. The following are a few of our needs for the coming Sunday School Year:

Glue Sticks

Colored Pencils

Masking Tape

Thank you all for your “wonderfully made” children and your continued support of this very important program in our church life.

God Bless,

Heather Costantino

Christian Education Coordinator
