

Thank you for asking!

Members and Friends of All Saints often ask if they could support projects or missions at All Saints in honor of a friend, in memory of a loved one, as a gift of gratitude or to encourage friends and family to contribute in lieu of a personal birthday or holiday gift.*

Understanding we all may have such interests, the following list is available on the Parish website, the Facebook page, and in the Parish buildings, updated periodically. If any of these opportunities are of interest to you, please contact a Parish Officer or the Parish Office for further information.

Current opportunities include sponsoring or contributing to:

- Sunday School trips
- Youth training and trips
- Project Spudnik
- Parish mission trips
- A memorial to former slaves of Calvert County (many of whom helped build our Sanctuary)
- Scholarships for descendants of former slaves
- Updating major systems in both buildings (fire suppression systems, HVAC, etc.)
- Critical repairs to our beautiful, historic sanctuary building
- Updates to the Parish Hall
- Diaconate training

*Note: Arrangements can be made for plaques naming a room, building or area of the campus in honor of an individual, family or organization. Projects requiring substantial funds can be financed by multiple donors with appropriate recognition honoring each donor's wishes.

Gifts to All Saints Church with monetary value are tax-deductible.
