July 2021

## From the Rector

The month of July marks our anniversary. What a wonderful and wild two years it has been! As we embark on our third year of ministry and communion together, there is much to be thankful for and much to look forward to. One of the things I am looking forward to is moving into the “Green Phase” and I am happy to share with you that we will be doing so on Sunday, July 18th.

This move will restore many of the worship and fellowship practices we have had to put aside during the COVID-19 pandemic. We will once again sing, unmasked; restore the distribution of wine at communion; have coffee hour after the services in the Fellowship hall; and hold community events like the Quarter Auction and Breakfast with Santa.

All of this is possible because of the continued low positivity and case rates in our area thanks in large part to the vaccine. We should take stock of how fortunate we are knowing that for most of the world COVID is continuing to have a devastating impact. Let us continue to hold the victims of this virus in our prayers and pray for the speedy distribution of the vaccine around the globe.

## Rector Report Continued

Though I share this news with my own joy, I know for some of you this news might bring reservation or anxiety. Continue to make the decisions you feel best for yourself and your family. Masks, hand sanitizer and social distancing will all be available and accommodated in our sanctuary. Joining the live-stream is always an option as well. Allow God, through the Holy Spirit, to be your guide.

Let us move forward always being guided by the Holy Spirit and love for one another.

### Fr. Al Forever in Our Hearts

#### FROM THE BISHOP'S OFFICE

**Alfred Frank Laveroni**, retired priest, died peacefully on June 21, aged 82. Please keep Jean, his wife of over 47 years and their family in your prayers. Al was ordained in 1963 and began his ministry there in the Diocese of Long Island until 1967 when he joined the US Army as a chaplain, he served for 20 years. Al came to Grace Memorial Church, Darlington in 1985, then as the associate at St Mary's, Abingdon from 1986 and then served at the Church of the Resurrection, Copley Parish, 1990 -2010. He also led the Harford Regional Council for many years. A family only funeral is being arranged. Condolences may be sent to Jean at 8800 Walther Blvd., Apt. 2616, Parkville, MD 21234.

*Rest eternal grant your servant Alfred, O Lord; And let light perpetual shine upon him. May his soul, and the souls of all the departed, through the mercy of God, rest in peace. Amen.*

## Warden's Report

From where I sit I am constantly in awe of the folks at Holy Trinity. There seems to be no end to the sharing of “gifts”. This time of year I can not help but notice the beauty of our church campus. Thanks to Walt Rowe and his crew of mowers. Grateful thanks to George Thomson and his gift to plant and tend our church gardens. George, we thank you!!

Penny Schmidt

P.S. I'll bet George would not mind some help with the watering and weeding.

Thank you Jenn for these beautiful photos!

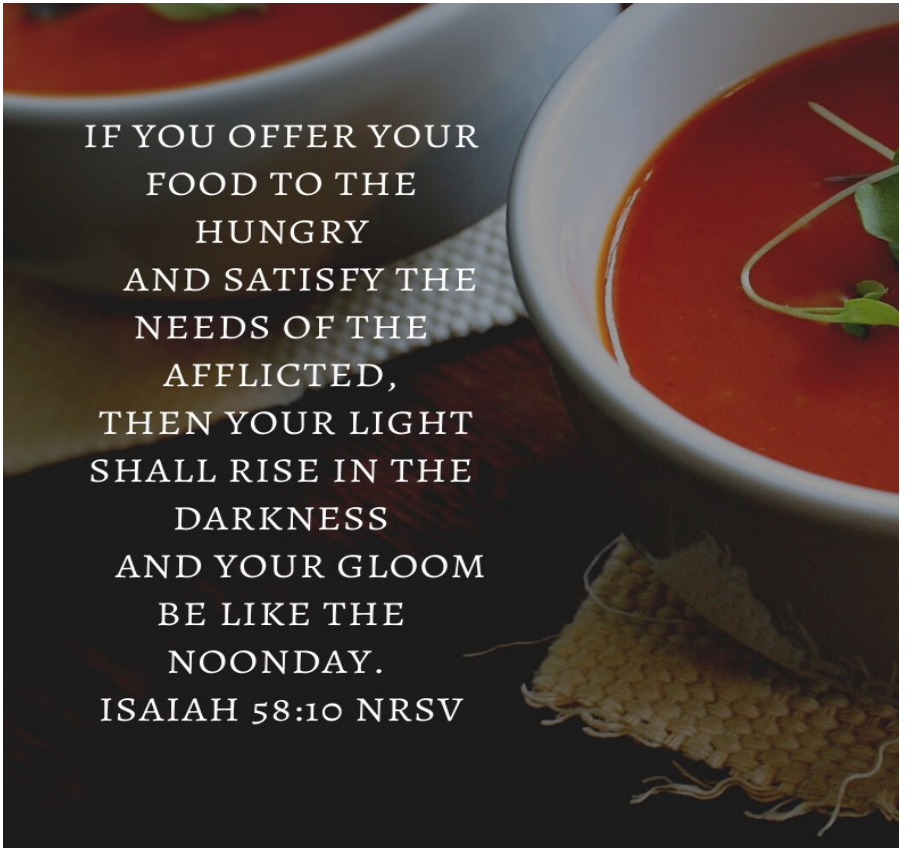

# Outreach

We are still trying to figure out how we can best continue to provide groceries to persons in need since the FISH program has been discontinued. The unique aspect of the FISH program was that we delivered food to people in their homes. FISH had a dedicated answering service where people would call, describe their need, and leave their contact information. Then a volunteer on duty for that day of the month would retrieve the calls on the answering machine, contact the person who called and arrange to deliver food to them. I have

spoken with several local food pantries in our area including St. Matthews, Oak Grove, Thy Kingdom Come, Smith's Chapel, St. Joan of Arc, and Grace Church in Darlington. All of these provide groceries to people who drive to the pantry to pick up pre-loaded bags of groceries on the designated day. Some pantries offer groceries twice a week, once a week, once a month and once every other month. All of these operations are on a much larger scale than ours and use food distributed by the Maryland Food Bank which requires significant paper work and record keeping not to mention much expanded food storage space and pick-up trucks to accept the monthly Food Bank donations. I am currently contacting other agencies that may have clients who occasionally appeal to them for food assistance and am offering our church

IF YOU OFFER YOUR  
FOOD TO THE  
HUNGRY  
AND SATISFY THE  
NEEDS OF THE  
AFFLICTED,  
THEN YOUR LIGHT  
SHALL RISE IN THE

office number as a point of contact. Also, we are temporarily posting a line on our church sign that reads "Emergency Food" and gives the church office number. We don't know what will work best for us yet, but will continue to explore alternatives. We welcome your suggestions.

## Women of Holy Trinity

The Women of Holy Trinity continue to meet via Zoom. We have changed our meeting time to the third Monday of the month at 7 pm, please join us.

At our June meeting we discussed the Quarter Auction, and we are going to begin working on baskets. As we begin getting the baskets together, I will be listing items that are needed to complete the various baskets. If you have an idea for a basket, please let me know. Hopefully, we will be able to have the Quarter Auction this year.

We are going to continue to work on crafts for Breakfast with Santa. We will be meeting again on Saturday, July 31, from 9 am to 1 pm. If you have some free time on July 31, please join us.

Tentative dates are:

- Quarter Auction: Friday, October 1, 2021
- Breakfast with Santa: Saturday, December 4, 2021

### **DATE and TIME July MEETING:**

Monday, July 19th at 7:00 pm via Zoom. Hope you can join us.

## Brown Bag Bible Study

You are invited to join us on Wednesdays at noon for Brown Bag Bible Study (BBBS). The group has resumed in person meetings and would love to see you there!

## Stay Out of the Sun

This year, July 3, 2021, has been designated National Stay Out of The Sun Day. Why, you ask, well this is a day that encourages everyone to give their skin a break from the sun and heat. It is hard to imagine that there would be a day devoted to just staying indoors. However, you do not need to stay indoors to avoid the sun as you can incorporate activities

outside that are out of the sun's dangerous rays. Set up a chair under a canopy, perch yourself under an umbrella, set up a hammock in the shade, or wait till the sun goes down and take in an evening stroll watching the sunset. Indoor activities could include visiting a friend, going to the movies, volunteering at your local shelter, or going on a shopping spree.

Moderate sun exposure provides our bodies with a healthy dose of natural Vitamin D but spending too much time basking in the sun without proper attire and/or proper sunscreen can speed up the aging process and can cause skin cancer. When in the sun use an umbrella, wear a hat that covers your ears, wear sunglasses to protect your eyes, and lather yourself in sunscreen with at least 45 SPF. Sunscreen should be worn even on cloudy days and reapplied often.

The history of sunscreen began in the 1940's when an American airman created a formula that would later become "Coppertone". In the 1950's the Coppertone baby became a billboard phenomenon. In the early 1970's ultraviolet filters were introduced into sunscreens. It was not until 1978 that the Food and Drug Administration (FDA) regulated sunscreen and set standards for its safety and efficacy. Today sunscreen is readily available in any store and is available in creams, lotions, sprays, gels, pastes, sticks, butters, and towelette wipes.

National Stay Out of The Sun Day entices people to take care of their skin. Staying out of the sun or wearing sunscreen keeps our skin youthful and prevents wrinkles and premature aging.

So, on July 3rd, hang up those beach towels, put on your pajamas, watch some Netflix, read a good book, play a game, bake a cake, and give yourself a break from the sun!

Respectfully submitted by:

## Becoming the Beloved Community

Becoming the Beloved Community is the new name and new workshop offered by our Church to address the racism that still persists in our society today. I attended this workshop for three consecutive afternoons. It was co-led by the Revs. Chris McCloud+ and David Wacaster+. It was held at Claggett, but can be held anywhere in the Diocese. I found it very helpful and am hopeful that by recognizing and addressing the issues raised we may become the Beloved Community God intended us to be. We were asked to watch several videos prior to attending the workshop sessions. These were extremely enlightening to me. The Reconstruction videos covered many topics that were barely touched upon in the American History I learned in school.

Three videos dealt with Race: the Power of Illusion:

- ⇒ <https://www.youtube.com/watch?v=exX7zp2ccgI>
- ⇒ <https://www.youtube.com/watch?v=KXl8zaNSE1U>

An additional four dealt with Reconstruction: America after the Civil War:

(The above is actually four videos of about an hour each, but well worth the time.)

And finally: <https://www.youtube.com/watch?v=krfcq5pF8u8>

(This one hour and 40 minute video is a Netflix production that explores the high incarceration rate in the U.S. today—what caused it and how it can be addressed.)

## COFFEE HOUR WILL RESUME JULY 18TH

---

Volunteers are needed to help us keep coffee hour brewing! After our Sunday worship services, members, visitors, and friends gather in the Parish Hall next to the church for coffee, snacks, and fellowship. This is a great time to get to know the people we worship with, share ideas, and have fun talking together.

There is a sign up sheet in the back of the church.
